The show at the Pavilion last night was highly enjoyed by the patrons of that very popular little theater. All vaudeville acts and pictures were excellent, one act being a very funny Dutch comedy offering, the other a sensational acrobatic act, making a vaudeville program that balances perfectly.

Morgan and Gilman, who present the Dutch comedy act, are both excellent comedians, their act is a lively, snappy one from start to finish, introducing parodies and dancing, keeping one in a constant state of good humor throughout.

Close Bros. do an act that is bound to be a hit wherever presented. Their acrobatic feats are all of the most difficult kind, the foot posturing work is exceedingly difficult and for that reason is rarely seen.

**GIVEN A DIVORCE.**  
Florence Bishop Phillips from Charles Henry Phillips.

St. Johnsbury, June 16.—The first divorce case of the term was heard yesterday afternoon between Sutton Phillips and Charles Henry Phillips.

There was no appearance for the defendant. Florence Bishop Phillips was the petitioner and Charles Henry Phillips the petitioner.

Marriage and residence was proved and a bill granted for intolerable severity and neglect and refusal to support. Petitioner has leave to resume her maiden name of Florence Eliza Bishop.

The evidence in the case of Inez Goodall vs. B. F. Drew was completed.

L. P. Slack made the opening argument for the plaintiff, and Samuel Richardson, who is now associated with Howe & Hovey and a member of the Massachusetts bar, but not a regularly admitted member of the courts of this state, was given special permission by opposing counsel and the presiding judge to make the opening argument for the defence. In this making his first bow Mr. Richardson acquitted himself commendably.

The closing arguments were made during the afternoon by Herbert Hovey and Scott Sloane.

The case went to the jury about four o'clock. The jury returned later for instruction along certain lines.

The evidence was somewhat conflicting relative to prescriptive title and overt acts of ownership—for fifteen years. It was conceded during the trial that the plaintiff had the record title, but that is not sufficient if the idea of prescriptive title prevails; this is the principal question in this case. As far as the damage resulting from the alleged trespass is concerned it is not claimed to be a large amount by either party to the suit.

Jury was drawn in the assumption case of S. D. Nichols vs. John Buckley, apt. during the latter part of the afternoon and Attorney Frye for the plaintiff began to put in the evidence. Howe & Hovey appear for the defendant.

This case grows out of a disagreement over the purchase of some hay. It was stated in the opening that Nichols of Lyndon purchased 14 tons of hay for \$150 of the defendant Buckley of Wheelock. Only part was paid for. This will be the last case this tried this week.

Miss Desier Moulton went to Burlington Thursday to take the little son of Mr. and Mrs. Sherman Moulton home with her, as her brother and wife have been called to Providence, R. I., by the sudden death of Mrs. Moulton's brother, Dr. A. E. Platt.

Royal Arcanum tonight. Regular meeting at 7:30. Green Mountain council, No. 736. K. of P. Hall.

A special meeting of Clan Gordon, No. 12, will be held Saturday afternoon, June 17, at 2:15 o'clock for the purpose of attending the funeral of the late brother clannman James Robertson, sr. Wear white gloves and regalia. James Elrick, Sec.
